

REMARKS

The Examiner has stated a restriction requirement as to Invention I, Claims 1-6; Invention II, Claims 7-14; and Invention III, Claims 15-20. In response, applicant elects to proceed with Invention I, Claims 1-6, without traverse.

In the above amendment, Claims 7 and 15 have been amended to depend from Claim 1. Thus, Claims 7-20 now all ultimately depend from Claims 1 and are encompassed within Invention I.

Supplementing the Invention Disclosure Statement filed with the original application, applicant would like to direct the attention of the Examiner to US Pat. 6,503,203. A supplemental disclosure form is enclosed.

In light of the foregoing amendment and remarks, it is respectfully submitted that this application is now in condition for allowance. Favorable reconsideration is respectfully requested.

Respectfully submitted,

PATRICK RAFTER
